5th ANNUAL LCN RETREAT - FEBRUARY 2013

LCN Leadership Council

Our fifth annual Local Chapter Network retreat took place at The Monroe Institute in February.

We focused on acknowledging the interconnectedness of our global net- work and becoming inspired by each other as we shared our love and passion for TMI, and we developed new exercises for our newly unveiled LCN Support Portal.

We now have over a dozen different suggestions for Chapter leaders to use when looking for ideas for monthly meetings.

Each exercise includes specific TMI audio technology titles combined with suggested topics and questions for discussion. What a great resource for new chapters!

We would like to thank everyone that attended. We appreciate your time, your effort and most importantly your dedication to the Local Chapter Network.

> "I left the retreat with a renewed commitment to bringing the principles of TMI to the grassroots level."
